Tomeka, here is my redline of what was sent to me. Can you resolve the issues with Sandy please. The way it is rewritten, we'll be struggling to keep it a tier II. I reinserted the FACA reference, reinserted general technical updates, and as you saw, questioned the lack of comment about ORD and deletion of Regional folks to be on the group. (I have R4, R3, R2) all agreeing so far with others likely.

Thanks, Kathy
